Dear Customer

### **Reach Status**

Within REACH, glass is regarded as a substance and the EU Commission has added glass to a list of substances exempted from the registration requirements.

### **SVHC (Substances of very high concern)**

No SVHC currently on the ECHA candidate list are present above the 0.1% threshold limit in articles currently manufactured by CET Glass Processors, CET will continue to monitor the SVHC on any reviewed list issued by ECHA and fulfil its legal obligations to provide information to its customers if such substances are present.

Therefore CET can confirm that products supplied will not cause any detrimental emissions or migrations during normal intended use which are potentially dangerous to hygiene, health or the environment.

Kind Regards
